Call of the Jersey Devil

Aurelio Voltaire

Call of the Jersey Devil Aurelio Voltaire

Five suburban mall rats and a washed up Goth singer find themselves stranded in the Pine Barrens of New Jersey where they discover two horrifying truths: The Jersey Devil, hellspawn of folklore and legend, is real; and New Jersey (as many already suspected) is the gateway to Hell! With the help of one lone witch, this small group must face off against their deepest fears and the most unholy monsters in a battle where their very souls, the world they live in, and any chance of returning to Hot Topic in one piece is at stake! The first novel by musician and horror media personality, Aurelio Voltaire, *Call of the Jersey Devil* is a hilarious and terrifying homage to 80s horror and genre films. Like a mad doctor, Voltaire has Frankensteined together elements of *Evil Dead*, *The Breakfast Club*, *Poltergeist*, and *This is Spinal Tap* to create a creature feature that will have you laughing out loud when you're not glancing nervously over your shoulder.
