Gun Control: A Documentary and Reference Guide (Documentary and Reference Guides) Robert J. Spitzer

Gun control is one of the most enduringly controversial issues in modern American politics. For the first time this book compiles a comprehensive array of documents that explain and illuminate the historical and contemporary context of the modern gun debate. Bringing together over 50 documents from the colonial era to the present, including early colonial laws, founding documents, letters, political debates, federal and state laws, federal and state court cases, and various political documents, this book is an indispensable reference work for those seeking to understand the origins and modern consequences of American gun policy, including the Second Amendment's right to keep and bear arms. Accompanying commentary and analysis is included to help the reader fully understand the meaning of these documents. Numerous bibliographic sources provide additional resources for interested readers. Ideal for undergraduate and high school students, this collection of primary documents surrounding one of America's oldest controversial issues is a must-have for library shelves.

Contrary to popular impression, gun laws are as old as the country, and reflect the intersection of citizens' personal gun habits and the country's early need to defend itself by citizen militias who were required to arm themselves. The nation's gun policies evolved as its needs and resources changed. Old-style militias gave way to a modern professional American military, and the settling of the American frontier ushered in modern gun laws. In the past century, political assassinations and gun-related mass violence spurred both new gun control efforts and a burgeoning modern gun rights movement. Students will be able to read and analyze primary documents surrounding these events, including the Federalist Papers, early hunting laws, Supreme Court rulings, federal and state regulations, and recent political platform statements. Ideal for undergraduate and high school students, this collection of primary documents surrounding one of America's oldest controversial issues is a must-have for library shelves.

Leroy Mallett:

That guide can make you to feel relax. This book Gun Control: A Documentary and Reference Guide (Documentary and Reference Guides) was colorful and of course has pictures around. As we know that book Gun Control: A Documentary and Reference Guide (Documentary and Reference Guides) has many kinds or category. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading which.

Phillip Hicks:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Gun Control: A Documentary and Reference Guide (Documentary and Reference Guides) can make you sense more interested to read.
