Magic Study Maria V. Snyder

So far, I've managed to survive. You would think after being kidnapped as a child, imprisoned in my teens and released to become a poison taster, I would have endured enough. But no. The discovery of my magical abilities—powers forbidden in Ixia—has resulted in an execution order. My only chance is to flee to Sitia, my long-lost birthplace.

But Sitia is unfamiliar. I'm treated like an enemy—even by my own brother. Plus I can't control my powers. I want to learn about my magic, but there isn't time. A rogue magician has emerged and I'm targeted as his next victim.

Will my magical abilities save me...or be my downfall?
