The Wishing Star (Starlight Trilogy Book #1) Marian Wells

In the same genre as *The Wedding Dress* and *With This Ring*, author Marian Wells brings history and fiction together in a powerful novel of light and darkness, truth and falsehood, good and evil.

Jenny, living in the frontier districts of New York and Ohio in the early 1800's, is a bright and unusually inquisitive young girl. Though surrounded by poverty, enduring abuse by a drunken father, and in spite of limited schooling and spiritual guidance, curious and quick-minded Jenny reaches out for something different.

The window out of her restricted life is the world of books. The green-covered one, her father's forbidden book, holds an overwhelming fascination for her.

WILL JENNY FIND TRUTH, OR IS SHE ON A DANGEROUS ROAD WITH NO END IN SIGHT?
