Babe's Bible: Sister Acts: 3 Karen Jones

It's five years on since Grace found out she was pregnant. Now balancing motherhood and fulltime ministry her life takes a dramatic turn when she meets a young victim of sex traffickers. She is still unable to escape her own past as James Martin remains a continued presence in her life. Chloe, meanwhile, is still struggling to keep her marriage alive. The stresses continue with her own children and she finds herself challenged on issues of drug addiction, sexuality and teenage rebellion. In Grace's own Bible-times novel, Lila and Mary are on a steep-learning curve as part of the first community of believers that represent the early Church. Love, sex and betrayal, and abuse, forgiveness and healing are once again the powerful themes in this heart-rending saga. Sister Acts is the second in Karen Jones' incredible Babe's Bible trilogy.
