Creepy & Maud Dianne Touchell

Hilarious and heartbreaking, *Creepy & Maud* charts the relationship between two social misfits, played out in the space between their windows. Creepy is a boy who watches from the shadows keenly observing and caustically commenting on human folly. Maud is less certain. A confused girl with a condition that embarrasses her parents and assures her isolation. Together Creepy and Maud discover something outside their own vulnerability — each other's. But life is arbitrary; and loving someone doesn't mean you can save them. *Creepy & Maud* is a blackly funny and moving first novel that says; 'You're ok to be as screwed up as you think you are and you're not alone in that.'
