Monks and Muslims: Monastic Spirituality in Dialogue with Islam (Monastic Interreligious Dialogue)

If Christians and Muslims are to live in peace, encouraging one another to grow in holiness and working together for the good of all God's creation, they must move beyond politicized and often negative images of one another. Monastic/Muslim dialogue-issuing from friendship and focused on revelation, prayer, and witness-is an important component in this effort. Indeed, it is essential.

Monastic Interreligious Dialogue is a commission of the Benedictine Confederation that promotes and coordinates dialogue between Catholic monastic men and women and spiritual practitioners of other religious traditions. The organization invited Iranian Shi'a Muslims and Christian monastics to share their faith in a revealing God, their understanding and practice of prayer, and their desire to be witnesses to the world of divine mercy and justice. This book invites readers to listen in and learn from their conversation.
