Relazioni relative (Italian Edition) Riccardo Renero

Dodici racconti di amore erotico, di relazioni giovani o consolidate che, stirate da desideri e fantasie, si tendono fino a scoprire di cosa sono fatte,

Storie in cui la consuetudine della coppia viene trasformata dall'incontro con amici, amanti, partner occasionali e il sesso finisce per essere strumento di conoscenza soprattutto di se stessi. Come per il cinquantenne di "compleanno" o per l'attonito abbandono della protagonista di "Convegno", in bilico tra immagine professionale e pulsioni, o nello scontro tra preda e cacciatore del "Maschio dominante", o nel saccente gioco del "Selezionatore".

Relazioni che danno corpo alle fantasie e testano i confini della coppia, solo per uscire trasformate, come nei giochi a tre di "T.A." e "Sorpresa".

Il filo conduttore è una normalità che messa alla prova dalla complessità dei desideri diventa essa stessa relativa.
