Shinohata: A Portrait of a Japanese Village Ronald Dore

Not many foreigners have the chance to live in a Japanese village, certainly not foreigners who are sufficiently at home to do so as unobtrusively and intimately as the author of this book. Ronald Dore went to Shinohata twenty years ago when he was studying the land reform which broke the power of Japan's landlords. He went back many times thereafter to stay with friends.

Now he has distilled his memories, field notes, diaries, and some recent forays with a tape recorder into a book which brings to life the village and its people, and vividly portrays the stunning transformation of Japanese village life. *Shinohata* is a story of extraordinary change from the traditional values and relationships to typically modern pursuits and aspirations that accompanied the post-war prosperity. Ronald Dore's gift for combining a sympathetic, and often humorous, response to unique individuals with the sociologist's ability to discern and analyze patterns make this an unusual and fascinating book.

From reader reviews:

Lou Bryant:

Reading a e-book tends to be new life style within this era globalization. With studying you can get a lot of information that can give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their talent in writing, they also doing some exploration before they write to their book. One of them is this Shinohata: A Portrait of a Japanese Village.

Dan Fry:

A lot of people always spent all their free time to vacation or maybe go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity that is look different you can read the book. It is really fun for you personally. If you enjoy the book that you just read you can spent all day every day to reading a book. The book Shinohata: A Portrait of a Japanese Village it is quite good to read. There are a lot of those who recommended this book. They were enjoying reading this book. If you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore quickly to read this book from a smart phone. The price is not too costly but this book provides high quality.

Valerie Bell:

The reason? Because this Shinohata: A Portrait of a Japanese Village is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret it inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book have such as help improving your proficiency and your critical thinking technique. So , still want to hold off having that book? If I have been you I will go to the e-book store hurriedly.

Faye Pearson:

Would you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you just dont know the inside because don't judge book by its handle may doesn't work the following is difficult job because you are scared that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer could be Shinohata: A Portrait of a Japanese Village why because the great cover that make you consider in regards to the content will not disappoint you actually. The inside or content is actually fantastic as the outside or maybe cover. Your reading 6th sense will directly

assist you to pick up this book.
