Lytton Strachey

Voltaire (Ritratti) (Italian Edition) Lytton Strachey

Lytton Strachey fu un profondo conoscitore dell'opera e del pensiero di François-Marie Arouet, meglio noto come Voltaire, di cui lo affascinava la capacità di evadere dal «labirinto dei fatti pratici», per giungere a una comprensione filosofica dei fondamenti politici e religiosi del mondo. In particolar modo ammirò le *Lettres philosophiques*, la «lente» con la quale Voltaire riuscì a raccogliere gli sparsi raggi delle impressioni maturate nel corso del suo soggiorno inglese «in un sole di splendida e ardente intensità» che avrebbe illuminato l'Inghilterra – e il mondo – di tolleranza e curiosità intellettuale. Questo libro riunisce per la prima volta in un unico volume i testi dedicati al grande illuminista francese: *Le tragedie di Voltaire* (1905), *Voltaire e l'Inghilterra* (1913), *Voltaire e Federico il Grande* (1915), poi raccolti nel 1922 all'interno del volume *Books and Characters*. Se nel primo Strachey non esita a esercitare la sua ironia sui limiti del Voltaire drammaturgo, gli ultimi due saggi – scritti a ridosso della Prima Guerra Mondiale – volevano essere anche una via di fuga da un'atmosfera cupa e maligna, uno sguardo al passato per dimenticare le meschinità del presente e ritrovare la speranza.
