Celebrating the Rest of Your Life: A Baby Boomer's Guide to Spirituality David Yount

Yount's helpful guide provides baby boomers with practical strategies for infusing their daily lives with spiritual vitality and hope. Using traditional marriage vows as fresh, invigorating designs for living, Yount encourages readers ? who are much "younger" than their parents were at the same age ? to be their own caretakers and to be faithful to themselves. Like his earlier books, this volume is authentically Christian and will attract all who seek serenity, hope, and the promise of eternal life.
