**Non si uccide il passato (Italian Edition)** Gerardo Pontecorvo

Un giovane musicista si appassiona alla ricostruzione del passato di un direttore d'orchestra al quale è stato legato umanamente e artisticamente. La ricerca, che è anche inconsapevole ricerca di se stesso, lo porta a scoprire e affrontare un percorso sconosciuto a molti: quello che ha unito in tempi diversi il fascismo e la 'ndrangheta nella città di Reggio Calabria. Nelle trame della grande storia si intreccia il passato che ha condizionato la vita delle donne e degli uomini che incontra. Forse, in quel passato risiede pure il segreto per non soccombere al presente e per credere ancora nel futuro.
