Reminiscences of a Stock Operator (A Marketplace Book) Edwin Lefèvre

Unknown to most modern-day investors and traders who cherish **Reminiscences of a Stock Operator** as one of the most important investment books ever written, the material first appeared in the 1920s as a series of articles and illustrations in the Saturday Evening Post. Now, for the first time ever, this beloved classic is being made available in its original, illustrated format.

You'll track the exploits of Jesse Livermore as he won and lost tens of millions of dollars playing the stock and commodities markets during the early 1900s. At one point, he made the then astronomical sum of 10 million dollars in just one month of trading!

Originally published as a fictionalized account, the **Illustrated Edition** combines the Saturday Evening Post's memorable illustrations with Edwin LeFevre's timeless investment advice, recreating the look, feel, and message that was first published more than 80 years ago. Among the most compelling and enduring pieces ever written on trading, the new **Illustrated Edition** brings this story to life like never before. Order your copy today.
