Texas (Spanish Edition)

CARMEN BOULLOSA

Texas (Spanish Edition) CARMEN BOULLOSA

De Carmen Boullosa, autora de *Duerme*, *Cielos de la tierra* y *Treinta años*.

La pérdida de gran parte del territorio mexicano a manos de los estadounidenses en 1845 es recreada, a partir de un día de 1859, por la escritora mexicana Carmen Boullosa en su nueva novela, *Texas*.

La pérdida de la mitad del territorio mexicano era reciente. Tras la independencia de **Texas**, su anexión a Estados Unidos y la intervención estadounidense en México que desplazó al sur la frontera, los mexicanos de la región se encontraron con que ya vivían en otro país y enfrentaron la codicia de los norteamericanos.

Así las cosas, un día de 1859, en la ciudad fronteriza de Bruneville, Texas, el sheriff **Shears** insulta a Nepomuceno: #Cállate, grasiento pelado#. El agraviado es un rico terrateniente mexicano, y el agresor un mal carpintero norteamericano que porta la insignia porque nadie más la quiere.

La noticia del insulto corre veloz por Bruneville, sube hasta el Río Nueces, incursiona la Apachería, también camina hacia el sur, cruza el río Bravo, pasa por la ciudad vecina (Matasánchez) y se sigue. Ambos desenfundan sus armas y Shears queda herido por un disparo de Nepomuceno, quien huye, cruza el río y acampa en territorio mexicano. Los odios apenas contenidos se desatan. Los rangers preparan la venganza. Un ejército de voluntarios variopintos se forma alrededor de Nepomuceno e invade Texas.

Lo que ha dicho la crítica:

#Carmen Boullosa nos narra magistralmente varias historias paralelas donde los personajes inmigrantes que hablan un poco de alemán, español, inglés, se entremezclan con la historia principal#. -Jaime Luis Albores Téllez, *Siempre!*

#La escritura de Carmen Boullosa consigue que imaginemos y habitemos esos límites sin remedio quebradizos#. -Juan José Reyes, *Letras Libres*.
