The Qabalah: Secret Tradition of the West Papus

Papus (Dr. Ge'rard Encausse 1865-1916) was one of the great occultists of France, and was instrumental in developing and popularizing Eliphas Levi's earlier suggestions of a link between the Hebrew alphabet and the twenty-two trumps of the tarot. *The Qabalah*, first published in 1892, is particularly valuable because, along with his original theoretical explorations of the Qabalah, it also contains his complete translation of the *Sepher Yetzirah*, Eliphas Levi's famous *Ten Lessons on the Qabalah*, Rabbi Drach's important and rare treatise, *The Qabalah of the Hebrews*, and an extensive Qabalistic bibliography.

This book gives a concise and valuable introduction to the sacred science of the Hebrews, and thus to the esoteric teachings of Christianity.
