Waco's Badge J. T. Edson

Law beyond the limits ...

In wide-open Arizona, outlaws run rampant, since the authority of the local marshal ends at his town's borders. A different breed of peace officer is needed, and rancher Bentram Mosehan has accepted the responsibility of organizing a new Arizona State Police force. He's looking for men who are brave, honest, and lightning fast with a six-gun -- talents that a drifter named Waco and his amigo, Doc Leroy, possess in abundance. But the two young Texans remember all too well their run-ins with the Lone Star law, and the last thing Waco and Doc want is to wear a badge.

But Mosehan knows these are men you need at your side when all Hell breaks loose. And Waco'll be facing one tough choice once the bullets start flying in earnest: serve ... or die.
