When You Catch an Adjective, Kill It: The Parts of Speech, for Better And/Or Worse Ben Yagoda

What do you get when you mix nine parts of speech, one great writer, and generous dashes of insight, humor, and irreverence? One phenomenally entertaining language book.

In his waggish yet authoritative book, Ben Yagoda has managed to undo the dark work of legions of English teachers and libraries of dusty grammar texts. Not since *School House Rock* have adjectives, adverbs, articles, conjunctions, interjections, nouns, prepositions, pronouns, and verbs been explored with such infectious exuberance. Read *If You Catch an Adjective, Kill It* and:

Learn how to write better with classic advice from writers such as Mark Twain (“If you catch an adjective, kill it”), Stephen King (“I believe the road to hell is paved with adverbs”), and Gertrude Stein (“Nouns . . . are completely not interesting”).

Marvel at how a single word can shift from adverb (“I did okay”), to adjective (“It was an okay movie”), to interjection (“Okay!”), to noun (“I gave my okay”), to verb (“Who okayed this?”), depending on its use.

Avoid the pretentious preposition *at*, a favorite of real estate developers (e.g., “The Shoppes at White Plains”).

Laugh when Yagoda says he “shall call anyone a dork to the end of his days” who insists on maintaining the distinction between *shall* and *will*.

Read, and discover a book whose pop culture references, humorous asides, and bracing doses of discernment and common sense convey Yagoda’s unique sense of the “beauty, the joy, the artistry, and the fun of language.”

From reader reviews:

Stephanie Rodriguez:

Book is written, printed, or highlighted for everything. You can know everything you want by a book. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading expertise was fluently. A reserve When You Catch an Adjective, Kill It: The Parts of Speech, for Better And/Or Worse will make you to become smarter. You can feel considerably more confidence if you can know about anything. But some of you think which open or reading some sort of book make you bored. It isn't make you fun. Why they are often thought like that? Have you in search of best book or acceptable book with you?

Leroy Torres:

The reason why? Because this When You Catch an Adjective, Kill It: The Parts of Speech, for Better And/Or Worse is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will shock you with the secret this inside. Reading this book adjacent to it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your ability and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the guide store hurriedly.

Hattie Leclair:

Reading a book being new life style in this 12 months; every people loves to examine a book. When you examine a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you need to get information about your study, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, and soon. The When You Catch an Adjective, Kill It: The Parts of Speech, for Better And/Or Worse will give you new experience in reading a book.

Earl Martinez:

Is it anyone who having spare time subsequently spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This When You Catch an Adjective, Kill It: The Parts of Speech, for Better And/Or Worse can be the respond to, oh how comes? The new book you know. You are so out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these guides have than the others?
