Build your own city: The Big Unofficial Lego Builder's Book Joachim Klang, Oliver Albrecht

This book addresses all LEGO enthusiasts from 6 years up who are looking for a real challenge: why not build a complete town out of LEGO bricks? After explaining basic techniques and simple models for younger kids this manual provides detailed step by step building instructions for all items necessary to build your own Lego City. From streets, cars, trucks, houses, bus stops, supermarkets, people and animals, trees and plants - a must have how-to manual to build a city using the bricks from your collection at home. Besides providing comprehensive explanations for building with LEGO bricks it also contains four more complex, larger and complicated projects: a helicopter, a racecar, a ship and a large truck.
