Erratic Facts

Kay Ryan

Erratic Facts Kay Ryan

Kay Ryan—"a classic American poet" (John Freeman)—is acclaimed for her highly intelligible, deeply insightful poems. *Erratic Facts* is her first new collection since the Pulitzer Prize-winning *The Best of It*, and it is animated with her signature swift, lucid, lyrical style.

At once witty and melancholy, playful and heartfelt, Ryan examines enormous subjects—existence, consciousness, love, loss—in compact poems that have immensely powerful resonance. Sly rhymes and strong cadences lend remarkable musicality to her incisive wisdom. While these pieces are composed of the same brevity and vitality that has characterized her singular voice over the course of more than 20 years, her mind is sharper than ever, her imagination more eccentric and daring. *Erratic Facts* solidifies Ryan's place at the pinnacle of American poetry, and proves that she will remain among the leading innovators in literary history.

From reader reviews:

Christopher Cunningham:

As people who live in the actual modest era should be change about what going on or details even knowledge to make these individuals keep up with the era and that is always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what kind you should start with. This Erratic Facts is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Bonnie Abramowitz:

Information is provisions for individuals to get better life, information currently can get by anyone with everywhere. The information can be a know-how or any news even restricted. What people must be consider if those information which is within the former life are hard to be find than now is taking seriously which one works to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Erratic Facts as your daily resource information.

Judy Finley:

The book Erratic Facts will bring you to the new experience of reading a book. The author style to describe the idea is very unique. In the event you try to find new book to read, this book very ideal to you. The book Erratic Facts is much recommended to you you just read. You can also get the e-book in the official web site, so you can more readily to read the book.

Deborah Fishman:

Why? Because this Erratic Facts is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will shock you with the secret that inside. Reading this book close to it was fantastic author who else write the book in such wonderful way makes the content interior easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the reserve store hurriedly.
