Mammoth Books presents Cold to the Touch Simon Strantzas

NOTE: This is an ebook of the SHORT STORY "Cold to the Touch", not the collection. It is a 20-page story that was reprinted in The Mammoth Book of Best New Horror. (The full collection, *Cold to the Touch*, is available separately.)

"Stories often find their origins in unexpected ways," Strantzas reveals. "I was inspired in this case by a photograph of a Zen garden I once used as my computer's desktop background. After staring at it day-in and day-out while I worked, I began to wonder about that dark circle of rocks and just what its true purpose might be. "There was something there in the coldness of the photograph, something that brought to mind the barren vistas of the Canadian Arctic, which ended up being the perfect setting for my tale of tested faith."
