Summit Fever

Andrew Greig

Summit Fever Andrew Greig

When poet Andrew Greig was asked by Scottish mountaineer Mal Duff to join his ascent of the Mustagh Tower in the Karakoram Himalayas, he had a poor head for heights and no climbing experience whatsoever. The result is this unique book.

Summit Fever has been loved by climbers and literary critics alike for its refreshing candour, wit, insight and the haunting beauty of its writing.

Much more than a book about climbing, it celebrates the risk, joy and adventure of being alive.

From reader reviews:

Edwin Ball:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yeah, you can choose the suitable activity to get spend your time. Any person spent all their spare time to take a move, shopping, or went to typically the Mall. How about open or even read a book called Summit Fever? Maybe it is to become best activity for you. You know beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with the opinion or you have other opinion?

Beverly Hill:

In this 21st century, people become competitive in every single way. By being competitive now, people have do something to make these survives, being in the middle of typically the crowded place and notice by surrounding. One thing that occasionally many people have underestimated that for a while is reading. Sure, by reading a e-book your ability to survive enhance then having chance to stand up than other is high. For you who want to start reading the book, we give you that Summit Fever book as starter and daily reading publication. Why, because this book is usually more than just a book.

Thomas Towne:

Here thing why this kind of Summit Fever are different and trustworthy to be yours. First of all reading a book is good but it really depends in the content than it which is the content is as yummy as food or not. Summit Fever giving you information deeper since different ways, you can find any reserve out there but there is no guide that similar with Summit Fever. It gives you thrill reading through journey, its open up your current eyes about the thing that happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in area, café, or even in your method home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of Summit Fever in e-book can be your substitute.

Randi Adams:

Information is provisions for people to get better life, information nowadays can get by anyone with everywhere. The information can be a information or any news even restricted. What people must be consider any time those information which is from the former life are challenging be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you obtain the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Summit Fever as the daily resource information.
