Motherhood is not for the faint of heart. And no one knows that better than Daisy. Raising two kids as a divorced, single mom, Daisy has faced each and every one of the obstacles in her life with courage and determination.

Now with her oldest daughter ready to have a baby of her own, her youngest daughter ready to graduate from high school, and her new husband, Paul, ready to embrace the life of an empty-nester, Daisy feels like she might finally be able to check "motherhood" off her list of things to do.

Except life often has a mind of its own. When, at the age of forty-six, Daisy suddenly finds herself facing a very different future than the one she had planned—and an uncomfortable evaluation of the past she thought she understood—she realizes that there is still some growing up she needs to do.

Looking for a distraction to escape the growing tension at home, Daisy joins the Newport Ladies Book Club, where she meets Paige, Athena, and Olivia—unlikely friends who offer encouragement and support when Daisy's perfectly crafted life is turned upside-down.

Daisy is one of four stand-alone books, by four different authors, in the Newport Ladies Book Club series. Readers will be able to participate in a virtual book club that features recommendations and discussion guides.
