A vida com Logan (Portuguese Edition) Flavio Soares

A vida com Logan é um livro baseado nas tiras de Flavio Soares - pai de Logan - e mostra como é a vida com o menino com Síndrome de Down sem nenhum sofrimento ou tristeza.

Flavio escreve com muita emoção: "Desde que o Logan nasceu não enfrentei aqueles dias sofridos que me falaram que viriam. Não vi nenhum dos obstáculos insuperáveis que, disseram, estariam à minha espera. Não vi decepções, não vi tristeza, não vi fracassos. Pelo contrário. Vi, e continuo vendo naqueles olhinhos amendoados, amor, felicidade, vontade, determinação e um prazer indescritível de viver a vida, mostrando a todos que as dificuldades serão superadas, cada uma a seu tempo. Como passageiros de um ônibus que descem em pontos diferentes, as habilidades chegam a cada um de nós em momentos distintos, sempre que estamos prontos para elas. E Logan sabe disso".

Logan adora brincar, correr, desenhar e ouvir histórias como toda criança. Ele tem Síndrome de Down, e isso não o impede de estudar e fazer novos amigos. Neste livro você acompanhará seu cotidiano na escola: sua chegada, a amizade com os colegas e a professora, a participação nas atividades e a superação dos desafios. Ao final da obra você encontrará fotos do Logan e várias informações sobre a Síndrome de Down. É a história real de um garotinho que conseguiu vencer o preconceito e mostrar que ele pode, sim, ser muito feliz!
