Calm, Cool, and Adjusted (Spa Girls Book 3) Kristin Billerbeck

Silicon Valley chiropractor Poppy Clayton is as calm, cool, and adjusted as they come . . . or is she?

Known for her bad fashion sense, a love for all things natural, and the inability to get a second date, Poppy is beginning to wonder if she might be misaligned herself.

Poppy's route to self discovery will be an unnatural one involving a plastic surgeon (of all people!), a condemned house in Santa Cruz, and a wedding date from the dark side. It's enough to send a girl and her gal pals running for their favorite spa!
