El Arte de Sanar de la medicina mapuche (Spanish Edition) Ziley Mora

Para conocer el secreto de la salud del hombre había que conocer los misteriosos enlaces y las finas conexiones con el secreto de los árboles y de las plantas, conocer las afinidades recíprocas entre hombre y animal, el oculto entendimiento entre hombre y mineral. El arte de sanar de la medicina mapuche se compone de cuatro capítulos (cuatro -meli- es la cifra sagrada) que ahondan en las principales especies vegetales, otros cuatro en animales claves dentro de la cultura mapuche y un capítulo destinado a un elemento cosmológico: la luz solar. Es decir, nueve posibilidades de curar (nueve -ailla- es el número mapuche de la salud). La salud depende de la atenta vigilia de uno mismo para reunir las facultades en torno a lo que la realidad exija en ese instante y tener la mente despierta (trepelaimiduan), solo así será posible disponer de una granítica cohesión interna y contrarrestar los asaltos de energías (físicas o sutiles) extrañas.
