The Experience of Ancient Egypt (Experience of Archaeology) Rosalie David

The Experience of Ancient Egypt provides a comprehensive portrait of what we know about ancient Egypt today, examining in detail issues of religion, of beliefs and practices surrounding death, of everyday life and of literature.

In an engaging style, the author traces Egyptology from its classical roots, through the painstaking process of deciphering Egyptian hieroglyphs in the eighteenth and nineteenth centuries, to the most up-to-date bio-medical and archaeological techniques, never forgetting how time has proved that it is impossible to deliver the absolute truth about ancient Egypt.
