The White Stones J. H. Prynne

J. H. Prynne is Britain's leading late-modernist poet. His work, as it has emerged since the 1960s, when he was close to Charles Olson and Edward Dorn, is marked by a remarkable combination of lyricism and abstraction, at once austere and playful. *The White Stones* is a book that is central to Prynne's career and poetics, and it constitutes an ideal introduction to the achievement and vision of a legendary but in America still little-known contemporary master.
