Always Look on the Bright Side: Celebrating Each Day to the Fullest

We often think of celebrations as centering around special occasions, like Birthdays, Christmas, or other holidays. But there is no need to wait for those times. Everyday is a cause for celebration. The very fact that you are alive, the wondrous world around you, and the special people in your life are all reasons to rejoice.

That's what this book is all about. Over 500 suggestions for living life to the fullest. A compendium of "glass half full" common sense, these witty and wise words from both the rich and famous, as well as the not-so-rich and the not-so-famous, will, I hope, inspire you to make every day a special day.

Pianist Artur Rubinstein once said, "To be alive, it's all a miracle." Yes indeed, it is all a miracle, and all a cause for celebration.
