An Introduction to Theories of Human Development

Neil J. Salkind

An Introduction to Theories of Human Development Neil J. Salkind

An Introduction to Theories of Human Development provides a comprehensive view of the primary theoretical models of human development including those from the biological, psychoanalytic, behavioral, and cognitive developmental perspectives. Along with a brief discussion of a historical background for each of these approaches, this book examines the application of these theories to various aspects of human development, such as the effectiveness of early intervention, individual differences, adolescence, and sociobiology.
