Cordillera e nuove storie (Italian Edition) Pier Luigi Camagni

Che ci fa un italiano, di Pompei, tra le montagne della Bolivia insieme a Che Guevara?

Una storia mai esistita, come la foto di copertina, che ritrae Che Guevara che suona la chitarra con John Lennon.

incontro mai avvenuto, ma tra le più condivise ed amate del web, così come la storia raccontata era forse nei sogni e negli ideali di una generazione ormai passata.

È solo uno dei nuovi racconti, o acquarelli, che compongono la presente raccolta e che rappresenta la continuazione ideale della precedente "L'ultima sigaretta e altri racconti".
