Encyclopedia of Ancient Greece

Encyclopedia of Ancient Greece

Examining every aspect of the culture from antiquity to the founding of Constantinople in the early Byzantine era, this thoroughly cross-referenced and fully indexed work is written by an international group of scholars.

This *Encyclopedia* is derived from the more broadly focused *Encyclopedia of Greece and the Hellenic Tradition*, the highly praised two-volume work. Newly edited by Nigel Wilson, this single-volume reference provides a comprehensive and authoritative guide to the political, cultural, and social life of the people and to the places, ideas, periods, and events that defined ancient Greece.
