No More Heroes: In the Wake of the Templars Book Three Loren Rhoads

The multi-species crew of the *Veracity* are enjoying some well-deserved R&R after informing the galaxy about spread of the time-bending Messiah drug. Now that the galaxy has been saved again, the crew begin to see each other in a new light.

Unfortunately, in the *Veracity*'s wake lie a string of crimes – and someone has got to pay. Former assassin Raena Zacari is hauled back to the weapons-free pleasure planet Kai to answer charges of kidnapping, murder, and the theft of an Imperial-era diplomatic transport: the *Veracity* itself.

In the meantime, something is moving in the undersea city Raena destroyed on the Thallian homeworld. Has the worst mass-murderer the galaxy has ever known been cloned back from the dead? Can the *Veracity*'s crew lay the ghosts to rest without Raena's lethal skills?

No More Heroes mixes courtroom science fiction with sweeping space opera that features aliens, androids, drug dealers, journalists, and free-running media hackers. Following *The Dangerous Type* and *Kill By Numbers*, *No More Heroes* is the final book in Loren Rhoads's epic trilogy.

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
