MEAN GIRLS meets BLUE CRUSH

Tallulah Jones ***didn't mean to lie*** about being an expert surfer to Jenna, the most popular girl at her new school. So what if she's only tried surfing once, with disastrous results? How much harm could one little fib do? Well . . . a lot, actually, in the form of a humiliating, near-death experience in the water that might forever ruin Tallulah's chances with Jenna and her cute older brother, Corey.

Now officially labeled a "poser," only a miracle can save Tallulah from outcast hell--one that arrives in the form of Katie, a frizzy-haired, nearsighted, completely unhip surfing phenom who takes Tallulah under her wing and teaches her to surf. But it will take more than learning to surf to change Jenna's mind and win Corey's heart. Tallulah will have to prove that she can be the real deal--both as a surfer and as a friend.

A great book for girls who surf, fans of Soul Surfer and Bethany Hamilton. Poser also includes tons of tips for girls learning to surf.

From reader reviews:

Michelle Porter:

The book Poser can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book Poser? A number of you have a different opinion about book. But one aim that will book can give many data for us. It is absolutely right. Right now, try to closer along with your book. Knowledge or data that you take for that, it is possible to give for each other; you could share all of these. Book Poser has simple shape but the truth is know: it has great and big function for you. You can appearance the enormous world by start and read a publication. So it is very wonderful.

Edward Orr:

Book is to be different per grade. Book for children right up until adult are different content. As we know that book is very important usually. The book Poser ended up being making you to know about other know-how and of course you can take more information. It is very advantages for you. The publication Poser is not only giving you more new information but also being your friend when you truly feel bored. You can spend your current spend time to read your e-book. Try to make relationship using the book Poser. You never experience lose out for everything if you read some books.

Marla Fiske:

People live in this new day of lifestyle always make an effort to and must have the spare time or they will get large amount of stress from both lifestyle and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to a person of course your answer may unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, the actual book you have read is definitely Poser.

John Lyons:

This Poser is great publication for you because the content which is full of information for you who else always deal with world and get to make decision every minute. This specific book reveal it info accurately using great coordinate word or we can say no rambling sentences within it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but challenging core information with attractive delivering sentences. Having Poser in your hand like finding the world in your arm, facts in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen tiny right but this e-book already do that. So , this is certainly good reading book. Hello Mr. and Mrs. active do you still doubt that will?
