Liza Parrish was nobody special—until she witnessed a murder that had the entire police department reeling. Only traumatic amnesia kept her from remembering the killer's identity. With the city's finest at her disposal, she needed the bravest man to provide top-notch protection.

Holden Kincaid was KCPD's number one sharpshooter, and he was desperate for answers regarding his father's murder. Unfortunately, being so close to the case, he was denied access to their irresistible material witness...until the security of her whereabouts was compromised. Taking Liza into his very personal custody would definitely keep her safe—from everyone but himself.
