Queer Families, Common Agendas: Gay People, Lesbians, and Family Values

Richard Sullivan

Queer Families, Common Agendas: Gay People, Lesbians, and Family Values Richard Sullivan

Vital information on family services, custody, and access rights for gay parents! Queer Families, Common Agendas: Gay People, Lesbians, and Family Values examines the real life experience of those affected by current laws and policies regarding homosexual families. The book will help policy makers, lawyers, social workers, and the general public better understand these families. Here you will be able to compare the progress of policy in the U.S. and Canada for gay and lesbian parents and their children and explore relevant legal approaches in the two countries. In Queer Families, Common Agendas: Gay People, Lesbians, and Family Values, a range of strategies for advancing the rights of sexual minority parents are considered for legal feasibility and political viability. You will gain insight into the contradictions in policies and practices that ultimately disadvantage children based on their family origins, and you will discover alternative approaches for improved services to homosexual families. Queer Families, Common Agendas explores:

- family law and protection of women-headed households
 - legal definitions of motherhood and fatherhood in the United States, Canada, and the United Kingdom
 - family and adoption ideologies concerning gay families and their rights to adopt
 - new ways to make social services responsive to minority families
 - the lesbian and gay “agenda”
 - the value of family and the family of values--as opposed to the worn-out phrase “family values”
- Queer Families, Common Agendas serves as a primer to assist you in understanding the legal struggles that lesbian and gay families are facing today. You will explore concerns about family law, protection of women-headed households, motherhood, fatherhood, adoption and family ideology, and how to make social services responsive to gay and lesbian families. This excellent reference provides you with the necessary background and techniques to create services that are responsive and effective with sexual minority families.

From reader reviews:

Hazel Polk:

What do you concentrate on book? It is just for students since they are still students or that for all people in the world, the particular best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be pressured someone or something that they don't desire do that. You must know how great as well as important the book Queer Families, Common Agendas: Gay People, Lesbians, and Family Values. All type of book are you able to see on many options. You can look for the internet methods or other social media.

Frances Fortier:

What do you about book? It is not important together with you? Or just adding material if you want something to explain what you problem? How about your extra time? Or are you busy man? If you don't have spare time to do others business, it is make you feel bored faster. And you have free time? What did you do? Everybody has many questions above. They must answer that question due to the fact just their can do that. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this Queer Families, Common Agendas: Gay People, Lesbians, and Family Values to read.

Don Morris:

Reading a guide can be one of a lot of activity that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a book will give you a lot of new data. When you read a guide you will get new information since book is one of several ways to share the information as well as their idea. Second, reading a book will make you more imaginative. When you reading a book especially hype book the author will bring one to imagine the story how the character types do it anything. Third, you can share your knowledge to other people. When you read this Queer Families, Common Agendas: Gay People, Lesbians, and Family Values, you may tells your family, friends and also soon about yours book. Your knowledge can inspire the mediocre, make them reading a book.

Mae Bushee:

Many people spending their time by playing outside using friends, fun activity together with family or just watching TV all day every day. You can have new activity to spend your whole day by reading a book. Ugh, ya think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smart phone. Like Queer Families, Common Agendas: Gay People, Lesbians, and Family Values which is having the e-book version. So , why not try out this book? Let's see.
