Office 365 is Microsoft's cloud hosted service that effectively provides Microsoft Exchange, Lync, SharePoint, OneDrive Pro and Yammer to enterprises on a monthly fee basis. Instead of organizations having to setup, configure, patch, upgrade, update, and backup systems, Microsoft takes care of all of the "backend" server tasks. This book was written by world renowned strategy and technology experts Rand Morimoto and Guy Yardeni who have worked with various hosted cloud providers including Microsoft, Google, Salesforce, Box, Dropbox, and Amazon for years. The content of this book goes through the most common questions by organizations looking to choose Microsoft Office 365 for their enterprise, and Rand and Guy provide real world answers to these questions based on their hands-on day to day experience with Office 365.
