Men of Smithfield: Adam and Holden L.B. Gregg

Holden Worthington's globetrotting days are over. Once the host of a popular adventure show, he hasn't ventured past his own front door in more than a year. Then the arrival of a sexy new gardener sparks something Holden hasn't felt in a very long time—an interest in the world outside his window.

Holden tries to resist the attraction. But painfully shy yet definitely interested Adam Morgan has Holden longing to conquer his debilitating anxiety and live again. After a grisly discovery on the grounds of the estate, the town of Smithfield turns a suspicious eye on the reclusive Holden—and the two men must trust in each other to bring the truth out in the open.

Previously published, newly revised by author.
