Cultivate the skills necessary to follow your business intuitions

No matter how much background and training a trader or investor has, intuition remains the key personal asset to attaining financial success. Success depends on refining your intuition to a level that allows you to take the next step with unshakable confidence. But bringing yourself to this level is a daunting challenge--one that often requires you to override the logic of your acquired knowledge. With insights from industry success stories, exercises, and analysis from psychologists and psychiatrists, The Intuitive Trader shows traders and investors how to capitalize on their powerful intuitive skills so that they can take their trading to a new level.

- * Interviews with preeminent psychologists and psychiatrists about developing intuition
- * Extensive exercises that show the reader how to use intuition to enhance trading performance
- * Words of wisdom from successful traders and investors, including Tony Saliba, Linda Raschake, Paul Tudor Jones, Jimmy Rodgers, and George Soros
