Perhaps no doctrine has been more misunderstood, and no historical event more misinterpreted, than the Fall of Adam and Eve. Many Christians assume it was an evil, unnecessary act. Even among Latter-day Saints, there are competing views and questions about what happened in Eden: Why did God give Adam and Eve conflicting commandments in the Garden? How much of the story is literal and how much is symbolic? Relying on scriptures and statements from the prophets, Alonzo Gaskill carefully distinguishes between settled LDS doctrine on this subject and popular interpretations. He teaches that the Fall was foreordained to be part of the Plan of Salvation and shows how insights we have gained about the Fall help us find our bearings in dealing with the challenges of everyday life.
