Delia's new friend is not what she seems

Each day of Delia's first week of high school, her parents ask her the same question: Did you make any friends today? Finally, the answer is yes. Her name is Amandine, and she is the most exciting person in town. An artist, a dancer, and a teller of tall tales, she has enough charm to make Delia forget her loneliness. Like Delia, Amandine is an outsider—a city girl with too much personality for a small town..

Delia notices something strange about her friend from the start. Everything she says is a little bit too wild to be true. When the exaggerations get more serious, Delia finds it's too late to escape. Amandine has chosen Delia—and if Delia isn't careful, the vengeful, dangerous Amandine will set her life on fire.

This ebook features a personal history by Adele Griffin including rare images and never-before-seen documents from the author's own collection.
