GRIM AWAKENING

Shockwaves of atomic destruction turned 22nd-century America into a hellzone, but in the ruins the human spirit remains unconquerable. Daily survival depends on raw courage and a deadly aim, and with his warrior band Ryan Cawdor roams the forbidding new frontier known as Deathlands, determined to unlock its secrets....

RELENTLESS GRIP

Emerging from a gateway in the midwest, Ryan senses trouble within the well-fortified ville of a local baron, whose understanding of pre-Dark medicine may be their one chance to save a wounded Jak. But while his whitecoats can make the drugs that heal, the baron knows the real power and money is in the hardcore Deathlands jolt. And where drugs and riches go, death shadows every step, no matter which side of a firefight you stand on.... In the Deathlands, tomorrow is never just another day.
