El libro de las supersticiones (Spanish Edition) Massimo Centini

Para el hombre del siglo xxi, la superstición sigue ocupando un espacio importante en su tiempo, y sigue teniendo un significado. En este libro se analiza todo lo relacionado con las supersticiones mediante los instrumentos del psicoanálisis, la antropología, la sociología y la historia de las religiones. El complejo simbólico, misterioso y fascinante de las supersticiones se examina racionalmente para poder entenderlo mejor, para conocer su historia y poder ser escépticos o supersticiosos pero con conocimiento de causa. También se trata el significado antiguo de gestos cotidianos como días y fechas adversos, animales peligrosos, acciones arriesgadas, lenguaje del cuerpo, manifestaciones de la naturaleza, talismanes y pentáculos.
