The Real Face of Atheism Ravi Zacharias

Atheism is a world without God. Its true nature-whether disguised in Eastern mysticism or American cynicism-is despair. In this thought-provoking and insightful book, Ravi Zacharias exposes the hopelessness of atheism and explains how a worldview based on belief in God is the key to fulfillment. The Real Face of Atheism systematically examines atheistic positions on human nature, the meaning of life, morality, the "First Cause," death, and more.
