Clinical Laryngology Marvin P. Fried, Melin Tan-Geller

Clinical Laryngology addresses the practical issues faced by residents and seasoned practitioners in managing patients with diseases of the larynx. It is a concise manual covering common, everyday procedures that residents must master and provides all the up-to-date information needed by otolaryngologists caring for patients with laryngeal pathology.

This clinical resource is the go-to book that residents, fellows, and practicing otolaryngologists will consult when they are in need of practical guidance on managing cases of laryngeal pathology in the course of their practice.
