The Life of Timon of Athens

William Shakespeare

The Life of Timon of Athens William Shakespeare

Timon of Athens is a bitterly intriguing study of a fabulously rich man who wastes his wealth on his friends, and, when he is finally impoverished, learns to despise humanity with a hatred that drives him to his grave. The play's plot structure is schematically clear, and the poetry of Timon's rage is arresting in its savage intensity. Yet readers have often detected loose ends, and the tone of writing is uneven.
