?????????? (Analysis of Life Insurance Law Practice) (Chinese Edition) ??

[illegible]

This book mainly introduces operational practices of life insurance law from the aspects of insurance company operational practice and judicial adjudication. All chapters is based on internal logic of insurance and combines insurance issues, provisions of law and relevant cases scientifically and properly. With novel cases and simple but profound arguments, it is beneficial for insurance personnel to get further information about insurance, helpful for judicial officers to deal with insurance cases from a new judging aspect, and good for ordinary people to know some basic knowledge about insurance.
