Os movimentos de junho de 2013 foram uma das mais importantes manifestações populares da história brasileira. Além disso, apresentaram um caráter absolutamente inédito. Não tiveram uma causa, como nas diretas?já e no impeachment de Collor. Não foram convocados por instituições representativas tradicionais, como partidos, sindicatos e grêmios estudantis. E surpreenderam porque não existia no horizonte nada que indicasse uma movimentação social tão intensa. Acompanhar essas manifestações extraordinárias, tentar identificar suas causas, analisar a questão econômica, o papel das redes sociais, as reações das autoridades e a atuação dos jovens na política moderna são os objetivos deste livro, escrito por um time de expressivos intelectuais brasileiros.
