While most other girls her age are worries about school and clothes and boys, Cass has spent most of her life traveling the world with her travel TV-show-host parents. She gets to visit fabulous places and loves connecting with people via her popular blog.

But when the producers of the show decide that they want to feature Cass on camera, all of that starts to change. Now she's got to think about what she says, how she looks, and what the world is saying about her. Because like it or not, it's LIGHTS, CAMERA, CASSIDY!

At the same time, there seem to be a lot of technical glitches interfering with filming. What's going on? And can Cass get over her jealousy and help figure it out before it's too late?
