Savage Lands Clare Clark

Praised by Hilary Mantel, Amanda Foreman, and the *New York Times Book Review* for her “verve and intelligence . . . [and] the originality of her imagination,” Clare Clark has become a rising star in historical fiction.

Elisabeth is among twenty-three girls who set sail from France for the new colony of Louisiana to be married to strangers. Although she has little hope for happiness in her new life, she finds herself passionately in love with her new husband, Jean-Claude, a charismatic and ruthlessly ambitious soldier.

But betrayal is as much a part of the new world as the old, and when Elisabeth finds herself deceived by her husband she also finds herself bound to a poor cabin boy in a way she never anticipated.

Clark creates a world that is both incredibly real and incredibly dazzling. And with the same compelling prose and vividly realized characters that won her widespread acclaim for *The Great Stink* and *The Nature of Monsters*, she takes us deep into the heart of colonial French Louisiana.
