Josiah Silence, an amnesiac civil war veteran walks into the once bucolic Thunder Valley where a madman who calls himself God and his thug army have oppressed the people. Indians surround the valley and are keeping all penned in with the constant fear of attack.

Once there, Silence meets Rachel, a courageous young girl and the two of them form a unique alliance as he strives to solve the mystery of his past and stop the oppression of the false deity. Will he save the valley, the girl, his sanity? And is that love on the horizon for the man they call The Ghostmaker?
